**The Haldimand County Public Library is pleased to offer you over 300 recorded book titles on compact disc. Recorded books represent a perfect format for readers with visual impairments, for busy individuals who don't want to miss out on the latest bestsellers, and for the automobile commuter seeking an alternative to the radio.**

**Our ever-growing CD collection includes fictional and non-fictional titles in all genres, from contemporary romance to classic detective, from international thrillers to biographical memoirs.**

**Books on CD may be borrowed for a period of three weeks and may be renewed once for the same length of time. Overdue charges of \$0.50 per day apply.**

**Our titles are loaned in small disc wallets, secured in a vinyl pouch. We chose this method to make it easier for you to carry and store your discs and so that you can return them safely and conveniently in our overnight return slots.**

**Recorded books can be expensive. To ensure the longevity of our discs, the unprinted, underside of a CD should not be handled and leaving discs in very hot or very cold spaces should be avoided.**

**Our titles are shelved at various branches, but they are always available to you anywhere through our interbranch reservation and courier services. Simply ask staff or assistance or place reserves online at <http://library.haldimandcountv.on.ca>**

**All books on CD are listed in our database and are searchable by title, author, subject and format. To get a complete list of our titles, including our very latest acquisitions, search using the subject index for "*Books on CD*"**

**We hope you enjoy our collection. While we are constantly adding to it, we could use your help. If you have personal titles at home which you are no longer using, consider donating them to your local branch for others to enjoy!**
